## HOSPITALITY

### The Canterbury Rugby Football Union...

...which was founded in 1879, has a very proud and successful history. With 47 clubs, the Canterbury Rugby Football Union has the most rugby clubs of any province in New Zealand.

The Canterbury Rugby team has won the National Provincial Championship eight times in total, including the last three years. The victories of 2008, 2009 and 2010 were the first time Canterbury have won back to back titles. Canterbury have been the esteemed holders of the Ranfurly Shield an impressive thirteen times.

To ensure we continue to maintain this on field success, we are offering affordable ways for local companies to associate themselves with our team and become part of our continuing success.

Contributing to our on field success has been a strong relationship with many companies whose commitment has allowed our team to concentrate on their on-field performance which has continued to dominate New Zealand rugby.

Purchasing a Platinum Hospitality Package demonstrates to the community that you are proud to support your Canterbury and Crusader teams.

### Platinum Hospitality Benefits

The Platinum Lounge will give you a great end on view of the on field rugby action at AMI Stadium. Located on Level One of the Hadlee Stand, the modern surroundings, with the best food and beverage offerings available, are sure to leave a lasting impression on your guests.

- Semi or Final Match \$240.00 + GST per person.

"Our ongoing partnership with Canterbury Rugby and Crusaders is one that we here at Tui are very proud to have. Such a successful and proudly Cantabrian association benefits the Tui brand and regional growth objectives enormously. On top of this, the way in which we are respected and treated as business partners and sponsors is amazing - from the players and coaching staff themselves to senior management and the board - we truly feel part of the team."
