|             | 55kg or Less   | Junior Boys<br>U55kg |   |
| Year 10     | Open weight grade                                    | Junior Boys          |   |
|             | 55kg or Less   | Junior Boys<br>U55kg |   |
| Year 11     | Open weight grade                                    | Senior Boys          | Less than 60kg to Junior Boys                             |
|             | 75kg or Less   | Senior Boys<br>U75kg |   |
| Year 12     | Open weight grade                                    | Senior Boys          |   |
|             | 75kg or Less   | Senior Boys<br>U75kg |   |
| Year 13     | Open weight grade                                    | Senior Boys          |   |
|             | 75kg or Less   | Senior Boys<br>U75kg |   |

Please Note – Grade eligibility is worked out by the following:

1. A players year group at school is to be the **primary determinate** in determining the relevant age grade e.g. If you child is in year 3 at school, they will play in the year 3 grade "subsequently". If a player is not at school, they will be eligible for the grade they would be at school if they still attended.
2. A players age as at 1<sup>st</sup> April is to be used as a **secondary determinate** if the age of the player is very different to the others with their year.
3. This weight chart does not apply to females. At year 9 genders must play separately and no girls can be dispensated back down once they reach that age. please use the female pathway chart for placement of females.
